In accordance with best law enforcement practices and with advice from the Domestic Violence Advisory Panel and oversight from the Director of Public Safety, the Chief of the Bureau shall maintain a policy about officer response to call(s) when domestic violence is suspected or discovered with at minimum: the expectation to make victim safety and protection a priority; and tactics for initial approach and response when calls for service are interrupted.

For the first 24 months after the effective date, the Bureau of Police shall implement and maintain the Domestic Violence Lethality Assessment Program - Maryland Model ("LAP") which will include Zone Based Advocates. During the initial pilot period, the Public Safety Director and Chief of Police shall have the responsibility of ensuring that all Bureau personnel are trained to perform the protocols of the LAP. Thereafter, assessment of lethality of domestic violence incidence calls shall be in accordance with best law enforcement practices and with advice from the Domestic Violence Advisory Panel.

A successor shall be appointed upon the expiration of the term of a member. The appointment to fill a vacancy shall be only for the unexpired portion of the term.

IV. Internal Structure for the Domestic Violence Advisory Panel and Regulations:

A simple majority constitutes a quorum. The Board shall establish regulations for its own organization and procedure, consistent with the laws of the Commonwealth and of this code.
