RE: Request to Vacate Unpaved Portion of Bench Way

Peoples Natural Gas Company (Peoples) was advised that the City of Pittsburgh is reviewing a request from Ryan Noone to vacate the "unpaved portion" and/or paper street portion of Bench Way in the 31st Ward, City of Pittsburgh, Allegheny County, Pennsylvania.

Peoples has reviewed the area in question and can confirm that Peoples does not currently own or operate any gas facilities in the section to be vacated. Applicant has Read and Acknowledged the Following

- The applicant should submit all materials outlined in attached checklist for the application to be deemed to complete.
- The requesting property owner must be the underlying owner of the requested vacation for the application to be accepted.
- When a street is fully vacated, half the reversionary rights go to the adjacent property owners on each side of the street.
- If the requested street vacation requires utility easements as part of the vacation, no building of structures will be allowed over the easement area.
- All vacated street areas are subject to the existing zoning requirements for the area in which they are located.
- Most street vacations of unimproved or unopened streets ("paper streets") have no additional cost other than the processing fee.
 - The adjacent owners effectively own half of the street if it has never been opened after 21 years and are also responsible for half of the maintenance.
 - The street vacation legislation essentially validates this ownership and allows for official map changes by the County.
- If a street vacation request is limited to one parcel or lot, it may be determined that it is feasible to vacate a larger portion of the street. The requester would then be responsible to have the adjacent property owners sign the petition to support the larger vacation.
- When legislation is passed supporting the street vacation, DOMI sends a copy of said legislation to the Allegheny County Board of Assessment. The area of the vacated street will then be assigned an assessed value for tax purposes.
