PETITION REQUESTING PUBLIC HEARING

We, the qualified electors of the City of Pittsburgh, request Pittsburgh City Council to conduct a public hearing relative to the recent installation of the bike lane has disrupted our day-to-day life and presents not just a physical difficulty, but a threat to personal safety. Turning onto side streets has become hazardous, disabled residents do not have direct access to vehicles or scheduled transportation, and displaced cars are disrupting neighbors, among other issues. This plan failed to consider the impacts on the residents and neighboring streets when they removed half of the parking spots on Stanton Ave. Let us unite to demand that our city officials hear our concerns and reverse the decision on the bike lane. Our safety is paramount and should not be compromised in the name of development ill-suited for our area. Sign this petition to prioritize our community safety and well-being.

We, the undersigned, intend to attend the public hearing.
