## **DEPARTMENT OF PERMITS, LICENSES & INSPECTIONS**

### **2024-1273 Amendment Overview**

1. The first amendment excludes Appendix B Board of Appeals because it is redundant to and conflicts with the provisions of PCC 701.15 which outlines the Board of License and Inspection Review.
2. The second amendment changes references from the International Fire Code (IFC) to the International Property Maintenance Code (IPMC). The IFC references create processes and standards for unsafe conditions that conflict with the IPMC standards. The amendment ensures the IPMC standards are self-contained, legible, and consistent.
