Dear President and Members of Council:

I am submitting a resolution to amend an ARPA authorization with the County of Allegheny for the completion of lead safety projects as approved in the City of Pittsburgh's American Rescue Plan. The County has advised the City that this agreement needs to route through the Redevelopment Authority of Allegheny County. There are no other changes to the original resolution.

I am requesting a waiver of rule 8 so that this agreement can move through the execution process in a timely fashion.

Should you have any questions regarding the resolution, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Sincerely,

Jake Pawlak
Director
