Re: Allegheny Health Network agreement

Dear President and Members of Council,

The Department of Public Safety will be submitting a resolution authorizing an Agreement with Allegheny Health Network for services relating to the Reaching Out on the Streets ("ROOTS") program. The program is currently being piloted in specific geographic areas. The partnership between Public Safety and AHN will allow for an expansion citywide.

Should you have any questions regarding the resolution, please do not hesitate to contact my office. Your favorable consideration is appreciated.
