The City of Pittsburgh Office of Management & Budget, on behalf of the Department of Public Safety-Bureau of Animal Care & Control, wishes to establish a Professional Services Agreement with one service provider for domesticated animal detention, care and euthanasia services for “stray” animals captured by City of Pittsburgh Animal Care & Control Officers. Proposals will be considered for all of the services identified in the “Scope of Work” section set forth below.

### 1.2. Background

The mission of the Department of Public Safety, Bureau of Animal Care and Control is to serve the residents of the City of Pittsburgh by providing care, control, education, and resolutions to situations dealing with domestic animals and wildlife.

The Bureau of Animal Care and Control provides assistance to the employees of the Public Safety Department, other City Departments, and the Allegheny County Health Department in situations involving animals, both domestic and wild. The Bureau assists the Pennsylvania Game Commission in tracking the rabies virus; enforces the Dangerous Dog Law; enforces City and State codes dealing with animals; issues citations and appears in court; keeps City parks animal-nuisance free; works with non-profit animal shelters; and provides consultation to other municipalities concerning animal issues.

Animal Care and Control agents capture stray animals, assist in pet/owner recovery, mediate neighbor disputes over animals, assist the elderly and physically-challenged with animal concerns, advise and teach residents of their responsibility as pet owners, advise non pet owners of their rights, capture and release State and non-State-mandated wildlife, as well as capture domestic animals and wildlife. The Bureau also quarantines animals, provides removal of deceased animals, and assists the police and the District Attorney’s office with inhumane investigations.

The City of Pittsburgh Bureau of Animal Care & Control is staffed by fifteen (15) Animal Care & Control Officers, a Supervisor, and an Accounting Specialist.

The City of Pittsburgh is committed to the humane treatment of all animals. Individuals or organizations interested in performing the services required under this RFP must hold the same commitment and reflect that commitment in their proposal. Any veterinarian providing services under this contract shall comply with all federal, state, county and city laws applicable to such work, regardless of whether such laws are referenced herein.

It is the intent of the City to develop a four (4) year agreement, but the City reserves the right to negotiate a different length of the agreement at its sole option.
