2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutrition information available upon request.

Actual products may vary. Wheat, soy, peanuts, and other food allergens are present at our restaurant. Due to the design of our operations and shared cooking equipment, we cannot guarantee that any of our dishes are allergen free. Please visit our website at kurasushi.com for allergy information. *These food items are served raw or undercooked ingredients. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions.
