RE: Request for Waiver

1. **PROJECT:** Guidelines for Three (3) Historic Districts
2. **Company:** Landmarks SGA
City Code: 177a. Waiver (4) Grants

Dear Ms. Abrams

The City of Pittsburgh's Equal Opportunity Review Commission Department finds it satisfactory to approve the Waiver Request for Guidelines for Three (3) Historic Districts. Landmarks SGA will be the Prime contractor on the project.

This project represents an exciting opportunity to assist the city with updating/establishing design guidelines for the Mexican War Streets expansion area, Schenley Farms, and Roslyn Place. Landmarks SGA has all of the professional and technical skills required to meet the needs for this unique project. The firm has extensive experience working with the Secretary of the Interior's Standards for the Treatment of Historic Properties.

Sincerely,
