COVID has challenged us all. We will consent to an extension but hopefully it will be as soon as possible.

Subject: DCP-ZDR-2020-00360 | 2142 Wightman Street | City Council public hearing scheduling

Good morning David,

City Council needs to hold a Public Hearing within 45 days of Planning Commission recommendation, but it's not currently possible to have legislation work it's way through the process in that timeframe. I anticipate submitting the required material to the Clerk's office next week.

I'm requesting if you are OK agreeing to an extension to the 45-day Public Hearing date.

Best,
Kevin
