RE: To enter into an agreement with Crown Castle

Dear President and Members:

This letter is a request a Resolution authorizing the Mayor and the Director of Innovation and Performance, on behalf of the City of Pittsburgh to enter into a Master Service agreement or agreements with Crown Castle to provide to provide internet connectivity to city facilities as needed at a monthly utility fee

This is a direct connect to workload storage and City systems that are now hosted in the Google Cloud environment. The connect is critical and acts as a backup connection to the already established primary.

Your favorable consideration is appreciated.

Sincerely,

Heidi Norman

Heidi Norman, Acting Director
