Ordinance amending the Pittsburgh Code, Title Nine: Zoning Code, Article V: Use Regulations, Chapter 911: Primary Uses, at Section 911.02: Use Table and Article VI: Development Standards, Chapter 914: Parking Loading and Access, at Section 914.02: Off-Street Parking Schedules, and adding Section 912.09.B.: Child care (Accessory Use) at Chapter 912: Accessory Uses and Structures, all to amend Childcare Uses and Standards.

(Sent for a Report & Recommendation on 11/2/23)

(Report & Recommendation received 11/30/23)

(Public Hearing held 2/13/24)

WHEREAS, expanding access to and improving the quality of child care across the City of Pittsburgh is a critical priority for Pittsburgh City Council, and;

WHEREAS, securing child care is a perennial source of stress to parents, more than 75% of whom report that they have had difficulty finding a childcare space, and 70% of whom share that this difficulty affects their ability to work; and,

WHEREAS, in 2019, Pittsburgh City Council allocated \$2 million to establish the Childcare Quality Fund; and,

WHEREAS, since September 2021, this fund has distributed money for a variety of child care initiatives across the City of Pittsburgh, ranging from facility renovations and purchases of supplies, that has helped keep child care facilities open through the pandemic; and,

WHEREAS, with the September 30, 2023 termination of pandemic-era federal support for child care facilities, 1 in 3 child care facilities across the Commonwealth of Pennsylvania are in danger of closing imminently; and,

WHEREAS, across Pennsylvania, around 38,000 children are currently on waiting lists to enroll at child care facilities; and,

WHEREAS, in Allegheny County, a February 2023 survey found that 5,851 children are waiting on such lists; and,

WHEREAS, partners in Pittsburgh's business community—like Duolingo—have recognized the urgency of securing child care resources in this moment and stepped up by launching the Duolingo Early Learners First Program, which will make investments of \$1 million each year in local child care providers and education systems; and,

WHEREAS, at the City of Pittsburgh, Pittsburgh City Council recently passed legislation allocating funds to provide City employees with on-site child care when Pittsburgh Public Schools close unexpectedly or when parents are attending community events sponsored by the Mayor's Office of Neighborhood Services, such as budget meetings or public hearings; and,

WHEREAS, Pittsburgh City Council now seeks to exercise its zoning powers to expand access to and improve the quality of child care facilities across the City of Pittsburgh by permitting by right such facilities in single-family residential neighborhoods and in accessory structures and by eliminating burdensome zoning and parking standards on such facilities.

Now, therefore, the Council of the City of Pittsburgh ordains as follows:

There shall be no change in the exterior appearance of the dwelling unit that houses the home occupation, and there shall be no visible evidence of the conduct of a home occupation when viewed from the street right-of-way or from an adjacent lot. This provision shall be interpreted as specifically prohibiting signs (except those required by licensing regulations See Sec. 919.03.L for regulations pertaining to signs and Home Occupations), equipment storage, sales displays and

vehicles with more than two (2) axles, unless completely shielded from view of adjacent property.
