RE: To increase 2024 Carahsoft funding for Astronomer and Google Assured Workloads

Dear President and Members:

This letter is to request approval for a Resolution amending Resolution 710-2022, authorizing the Mayor and the Director of the Department of Innovation & Performance, on behalf of the City of Pittsburgh, to adopt an existing government agreement through the Commonwealth of Pennsylvania's cooperative purchasing program and to enter into any related agreement or agreements and amendments thereto as necessary with Carahsoft Technology Corp. for Google Cloud subscription services, Google Assured Workloads to provide secure storage for sensitive data on the City's cloud platform, and to add Astronomer cloud scheduling, tools, training, and installation services, increasing the 2024 funding for Astronomer and Google Assured Workloads by \$240,000.

Your favorable consideration is appreciated.

Sincerely,

Heidi Norman

Heidi Norman, Director
Innovation & Performance
