**Re: Railroad Signal Equipment in Allegheny Commons Park with Norfolk Southern.**

President and Members of City Council:

Enclosed is a proposed Resolution authorizing the Mayor and the Director of the Department of Public Works, on behalf of the City of Pittsburgh, to enter into an Agreement or Agreements, and Amendments with Norfolk Southern Railway Company to allow positive train control equipment to remain at current location in Allegheny Commons Park. This agreement would supersede the September 19th, 2017 Temporary Right of Entry to install and Temporary License to maintain positive train control equipment in Allegheny Commons Park between the City of Pittsburgh and Norfolk Southern Railway Company, at no cost to the City.

Your favorable consideration of the enclosed proposed Resolution is hereby requested.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Hornstein".
