RE: Encroachment Application Packet – Letter to the Director
Big Tom's Barbershop Building Renovations
2178 Centre Avenue, Pittsburgh, Pennsylvania 15219
DCP-ZDR-2021-06312
Request for Encroachment Permit Approval

Dear Karina Ricks,

TomTom 24 Development LLC has plans to renovate the existing building located at 2178 Centre Avenue in Pittsburgh. The Big Tom's Barbershop ("Project") involves the rehabilitation of a 3-story existing building and creation of ancillary outdoor open space in the Hill District of the City of Pittsburgh. The intent is to preserve the building exterior's urban form with newly installed double-hung windows as well as masonry repointing and repair, upgrade the interior to provide an accessible and versatile space for commercial tenants, as well as provide an exterior open space for residents. Building exterior upgrades include a newly installed storefront that elevates the streetscape and new ADA-accessible ramp/walkway to the first-floor main commercial entrance on Centre Avenue.

The proposed 4.36-foot-wide and 23.67-foot-long ADA Accessible Ramp will encroach into the public right-of-way at the sidewalk. The existing sidewalk approaching the encroachment is approximately 11.43 feet wide, which would be reduced to 7.07 feet wide after the proposed ramp is installed.

TomTom 24 Development LLC is seeking encroachment permit approval for the proposed ADA-accessible ramp at the sidewalk adjacent to the project at 2178 Centre Avenue (Parcels: 10-P-113-A and 10-P-113-B). Please contact the project consultant Cosmos Technologies, Inc. (Chirag Moradiya) at 216.732.0111 or cmoradiya@cosmostechnologiesinc.com if you require any additional information to process the application.

Sincerely,

Tomas Boyd, Owner
