Re: 2024-25 Keys Service Corps (AmeriCorps) Resolution

Dear President and Members of Council,

The Department of Parks and Recreation will be submitting a resolution authorizing the City's Department of Parks and Recreation to enter into relevant agreements with Information Age Technologies, Inc, (IAT) for the CoPilot Annual Subscription Fee for the Healthy Active Living Senior Centers' Software Subscription, used to collect data and reporting of services to Allegheny County Department of Human Services Area Agency on Aging as mandated by our contract with Allegheny County at set negotiated prices to be determined over a term of three years. Information Age Technologies, Inc is the sole source provider of the software and equipment services needed to fulfill the agreement. The amount for 2024 will be \$1,750 x 12 centers for a total for one year of \$21,000. The following years will be determined over the term of the 3-Year Agreement. These costs shall be chargeable to and payable from the Senior Trust Fund: 5000285000.54501.00.2024.

Should you have any questions regarding the resolution or agreement, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Very truly yours,
