

GVI Support and Outreach Evaluation Monitoring Report Form

**Year
Report:
2022-
2023**

Organization Information	Name	Lead Contact	Phone Number	Email Address
<i>Provide all updated information about Organization Name and Contact Information</i>				
<i>Please list Police Zone Served 1-6</i>				
<i>Project Start Date</i>				
<i>Project Start Date (Actual)</i>				
<i>Contract Amount</i>				
<i>Stated Goals: Please provide a list of project objectives from your proposal</i>				
Outputs (Direct products of program activities)				
<i>Specifics about program and work conducted</i>	Yes *If N/A, write N/A and just respond	No or N/A	Yes, and response	No, respond if possible
1.) Do you have outreach teams? How many outreach workers do you have?				
2.) What neighborhoods did your project participants represent?				
3.) Does your organization have a mission statement?				
4.) Does your organization utilize a specific approach to the outreach work?				
5.) What are the intended outcomes of your program in relation to violence prevention?				
<i>Measurables about programming</i>				
1.) Was there a tracking process of how much violence was reduced? Did you gauge violence and its frequency in any time periods?				

Pittsburgh City Council GVI Support & Outreach Outcome Report

2.) Since obtaining this contract, how have you pro-actively engaged community members?				
3.) How many successful pro-active mediations of violence did you conduct?				
4.) How many support- driven social gatherings, after an incident of violence, did you attend?				
5.) What activities/events from your proposal project plan have been implemented, not mentioned in previous sections?				
6.) Were you sought out by someone informing you of a possible act of violence? If so, can you give a number of such occurrences?				
<i>Achievable items</i>				
1.) How does your organization curb the city's epidemic of violence?				
2.) Does your program have the necessary inputs (funds, community support, governmental support) to accomplish this program objective?				
3.) Is your program objective streamlined enough to keep fidelity regarding the focus to end violence, or is it too broad?				
4.) Can this objective be successfully executed without external supports and/or policy changes occurring? Mention barriers that impeded or may impede any progress.				
5.) Describe any ongoing challenges that you've encountered that haven't been discussed in previous sections.				
<i>Relevancy items</i>				
1.) Is your program solely focused on reducing violence in the city of Pittsburgh? If not, how does ending violence help your program objectives?				
2.) What specific aspect of your programming would flourish if violence is curbed?				
3.) Does ending violence have support from all program staff and board members?				

Pittsburgh City Council GVI Support & Outreach Outcome Report

4.) Does curbing violence align with your broader organizational mission?				
Time-Bounds				
1.) Per your forecast & efforts, when will violence be strongly curbed in the neighborhood that is being focused on?				
2.) If your organization's goal to curb violence requires stages for implementation, what is the time-frame for each stage?				
3.) Is the time frame too short? Too long? Realistic? Please explain all thoughts and concerns.				
4.) What external and/or internal deadlines should be considered to successfully achieve this objective on time after receiving funding?				
Anecdotal Information				
Share stories! Share a few stories about clients (without sharing any personally identifying information), service, or community initiative that could be shared with other stakeholders.
