Message from the Executive Director

PCTV's mission is to empower, educate, and enhance the community through media. That's what we do, day in and day out. We give voice to Pittsburgh's diverse communities by giving them access to the tools and resources needed to create and distribute noncommercial media. It's what we've been doing for 38 years and it's what we'll continue to do as long as the community needs us. And the community does need us, now more than ever. Whether you are new to PCTV or an old friend, this annual report will give you a snapshot of what PCTV did in 2023. If you aren't involved with us, hopefully these pages will inspire you to become a member of PCTV and begin producing programming. To learn more, reach out to me personally at the contact info below.

PCTV ED John Patterson Wins Award!

On February 25, 2023, PCTV Executive Director John Patterson was presented with the Officer Eric G. Kelly Memorial Award for Unselfish Service. The award was presented by Dr. Alfred Brown, Pastor of Hope Chapel Church and a longtime member of PCTV. The award is named after Pittsburgh Police Officer Eric G. Kelly who heroically lost his life in the line of duty in 2009. Mr. Patterson also received a certificate of honorable recognition for creating “unbiased opportunities” for everyone through the medium of public access media to freely avail themselves of expression.

Congratulations John!

Congrats to the winners and nominees of the GPCMA 2023!

We had the great honor of once again hosting the Greater Pittsburgh Community Media Awards at Alloy 26 in Nova Place on October 19th. Awards were given out in 13 categories and attendees enjoyed food and drink from the Fabled Table and Ace Bartenders. Jessica Lee and Mark Strickland warmed up the crowd with some outstanding Jazz. Andrew Stockey was our virtual emcee. Congrats to all the winners and nominees. (photos by Ricco Martello)

Learn Media

What can you learn at PCTV?

Lots. We're all about teaching and learning at PCTV. Learning media at PCTV is the beginning of a journey that can take you places you never imagined. Here's a snapshot of training at PCTV in 2023.

Classes Offered

PCTV Online Info Session
Online Orientation
Adobe Premiere Basics
Intro to 360 Video
Podcasting Using Audacity
Orientation REV Up
Underwriting

Underwriting

In 2023, PCTV began offering the opportunity for members to seek underwriters for their programs to help offset the cost of producing at PCTV. This begins with our underwriting class. We are happy to report that several members have been quite successful!

The 2023 Numbers

30 classes offered
66 training certifications

Orientation Rev Up

In 2023, PCTV switched things up and started a new class called Orientation Rev Up. This two meeting class gets participants “revved up” by giving them a crash course in producing in the studio and field. By the time they finish the class, members are eligible to start booking the studio and checking out cameras. This class is one way PCTV tries to make things easy for the public we serve.

Outreach

How do people learn about PCTV?

Here are the many ways we reach out to the community. Interested in a tour? Contact Carl Cimini, Director of Communications and Engagement, at carl@pctv21.org or 412-322-7570 ext. 301.

Active Membership

PCTV is actively engaged with the [Northside Northshore Chamber](#), and the [Community Bridge Building Network](#).

These longstanding community organizations are a great way to build awareness of PCTV.

Take a Tour

One of the best ways to learn about PCTV is to take a tour. Your personal tour will give you an inside view of PCTV. You'll learn about membership and all the benefits we offer. Schedule today!

Word of Mouth

The number one way people learn about PCTV is word of mouth. Why? Because the opportunity PCTV has to offer is so incredible, people have to share it. Spread the word!

Greater Pittsburgh CMA

The Greater Pittsburgh Community Media Awards is an annual event designed to celebrate community media in our region. Working with our partners Bethel Park Public Access, City Channel Pittsburgh, and Monroeville Municipal TV, in 2023 we presented the Seventh Annual edition of this beloved event. WTAE's Andrew Stockey hosted. Check it out [here](#).

Distribute & Watch

Where can I see PCTV?

PCTV is on your TV, your phone, and your computer. We're worldwide now so there's no excuse not to watch PCTV! Members who produce programs get them distributed across our network of 10 different outlets.

The PCTV Network

We're worldwide! No kidding. With the addition of Apple TV, ROKU, FireTV, and iOS for iPhone and iPad, there really is no excuse not to watch PCTV. If all else fails, you can watch on our website at pctv21.org.

Production Resources

What production resources does PCTV provide?

PCTV is a one stop shop for everything you need to create and distribute media. Here is a look at what we provided in 2023.

Studio Resources

PCTV's facility features two studios equipped for television production or podcasts. Both studios have 3 Canon XF 305 cameras, teleprompter and full HD lighting. You can also green screen your heart out in both studios.

Editing

PCTV's edit lab features 5 high powered computers loaded with Adobe Premiere and Adobe Creative Cloud.

Portable Gear

Canon XA 35 cameras
Tripods
Microphones
Insta360 video cameras

Studio Usage

By far our most popular resource are the studios we provide. In 2023, the studio was used 321 times for 963 hours.

Podcasting

There are two ways to do a podcast at PCTV. You can do it with staff assistance in one of our studios or you can do it yourself with our podcast gear. Includes laptop, USB microphones, boom arms, headphones, USB audio interface, Zoom recorder, shock mounts, and pop filters. Not only can you do a podcast, you can look professional doing it.

Notable Projects

Here are some notable projects from 2023.

PCTV On Location, Inside PCTV, Pathways to Wellness, and Thoughts for Today are 4 new shows that premiered this year.

PCTV On Location

PCTV On Location takes viewers around the city to check out interesting people, places and events. For our inaugural show, we covered the Northside Northshore Chamber's 2023 Annual Luncheon. Check it out [here](#).

Inside PCTV

Inside PCTV is just what it sounds like, an inside look at all things PCTV. This year we interviewed fitness guru Paul Green, comedian Stefon Braxton, and Executive Director Joy Ruff from the Local Government Academy. Check it out [here](#).

Pathways to Wellness

Massage therapist Joan Gennarini has a passion for healing. Her new show "Pathways to Wellness", demonstrates the healing benefits of massage and other treatments. Check out the show [here](#).

Thoughts for Today

This year Michele Ellison started a new show called "Thoughts for Today" featuring discussions with experts in a range of fields including climate change, reparations, and grieving. Check out Michele's show [here](#).

Supporters

How can you help PCTV?

One way you can help is by donating to PCTV. Due to the drop in cable subscribers over the last several years, PCTV funding has dropped more than 50%. Your contribution can help close the gap. A big thank you to all the businesses and individuals who supported us in 2023.

Financial Highlights

Where does the money come from?

PCTV operates under a contract with the City of Pittsburgh which is funded by the cable franchise agreements with Comcast and Verizon. Increasingly we have to raise funds from other sources as Pittsburgh city residents continue to cut the cord. Here are some financial highlights from 2023.

Total Revenue

Total Revenue \$397,386

All Revenue Sources

City Contract \$297,099
Foundation Support \$12,500
Production Services \$8,724
Membership \$20,630
Donations \$2,503
Underwriting \$7,250
Interest Income \$6,108
Tax Credits \$41,994
Fundraisers \$578

Non-Franchise Sources

PCTV generated \$100,287 from sources other than the city contract, representing 25.2 % of revenue.

Construction Loan

PCTV borrowed money in 2015 to renovate its facility. In 2023, we paid off \$28,933.02 of the balance, bringing the total remaining liability down to \$96,859.87.

Financial Responsibility

PCTV is required to be audited annually by an independent accountant. We are happy to report that we have once again received an unmodified opinion from our auditor. In plain English, that's good! Our audited financial statement is included at the end of this report.

Board and Staff

Who runs this place anyway?

Without a great board and staff, it just wouldn't happen. Thankfully, we have a great team with loads of experience. You can contact any member of the board or staff by writing to: Pittsburgh Community Television, 1300 Western Avenue, Pittsburgh, PA 15233. Or call us at 412-322-7570.

To the Board of Directors
Pittsburgh Community Television Corporation
Pittsburgh, Pennsylvania

Opinion

We have audited the accompanying financial statements of Pittsburgh Community Television Corporation (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pittsburgh Community Television Corporation as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pittsburgh Community Television Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pittsburgh Community Television's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pittsburgh Community Television Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pittsburgh Community Television's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Pittsburgh Community Television Corporation's 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 11, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

PITTSBURGH COMMUNITY TELEVISION CORPORATION

Notes to the Financial Statements

December 31, 2023

(1) **Organization**

The Pittsburgh Community Television Corporation (Corporation) (PCTV) is a not-for-profit corporation whose objective is to serve the people of Pittsburgh by providing public access on an equal opportunity basis to city residents. The Corporation provides training, equipment, and production services to the community for cable access, and actively advocates for public access and first amendment rights. PCTV strives to be a telecommunications resource that is educational and accessible for community producers, engaging, and diverse for viewers.

PCTV was incorporated as a Pennsylvania non-profit corporation on June 27, 1985. It received IRC §501(c)(3) designation in December of 1985. Consequently, contributions to PCTV are tax deductible within limitations prescribed by the Internal Revenue Code.

(2) **Summary of Significant Accounting Policies**

(a) **Basis of Presentation**

The financial statements of the Corporation have been prepared in accordance with accounting principles generally accepted in the United States of America, which requires the Pittsburgh Community Television Corporation to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Corporation. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of The Pittsburgh Community Television Corporation or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

(2) **Summary of Significant Accounting Policies, continued**

(b) **Measure of Operations**

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable the Corporation's ongoing program services. Non-operating activities are limited to resources that generate return from investments and other activities considered to be of more unusual or nonrecurring nature.

(c) **Property and Equipment**

Property and equipment are recorded at cost or at estimated fair value at date of gift, if donated. The Corporation typically capitalizes items with an individual cost greater than \$500. Depreciation is provided over the estimated useful lives of property and equipment, which range from three to thirty years, using the straight-line method. The Corporation assesses for impairment losses when conditions warrant.

(d) **Tax Status**

The Internal Revenue Service has determined that the Corporation is tax exempt under Section 501(c) (3) of the Internal Revenue Code. The Corporation is not classified as a private foundation.

The Financial Accounting Standards Board (FASB) has issued Interpretation FASB ASC No. 740, which clarifies accounting principles generally accepted in the United States of America for recognition, measurement, presentation and disclosure relating to uncertain tax positions. FASB ASC No. 740 applies to business enterprises, not-for-profit entities, and pass-through entities, such as S corporations and limited liability companies. The Corporation evaluates uncertain tax positions in accordance with FASB ASC No. 740 and has determined there is no material impact on the Corporation's financial position or results of operations for the year ended December 31, 2023.

The Corporation annually files a federal Exempt Organization Tax Return (Form 990) as applicable. The filed form is subject to examination by the Internal Revenue Service generally for three years after it is filed.

(e) **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(2) **Summary of Significant Accounting Policies, continued**

(f) **Contributions**

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. All donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

(g) **Cash Equivalents**

Pittsburgh Community Television Corporation's cash consists of cash on deposit with banks. Cash equivalents are equal to all certificates of deposit purchased with a maturity of ninety days or less.

(h) **Fair Value**

The Financial Accounting Standards Board (FASB) has issued FASB ASC No. 820, "Fair Value Measurements", which defines fair value, establishes guidelines for measuring fair value and expands disclosures regarding fair value measurements. This pronouncement does not require any new fair value measurements, but rather eliminates inconsistencies in guidance found in various prior accounting pronouncements. The carrying amount of the Corporation's cash and cash equivalents, accounts receivable, prepaid expenses and accounts payable approximates fair value primarily because of the short maturity of these instruments.

The Board of Directors reviews and approves the Corporation's fair value measurements policies and procedures annually. At least annually, the audit committee and the Board determine if the valuation techniques used in fair value measurements are still appropriate.

(2) **Summary of Significant Accounting Policies, continued**

(i) **Concentrations of Risk**

The Corporation maintains its cash balances in two financial institutions located in Pittsburgh, Pennsylvania. The accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000 at each institution. There were no uninsured balances for the year ended December 31, 2023.

(j) **Advertising**

PCTV uses advertising to promote its programs and services. Advertising and promotional costs are expensed as incurred. For the year ended December 31, 2023 advertising expense was \$2,468.

(k) **Functional Allocation of Expenses**

The costs of providing program and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis based on staff time and effort.

(l) **Leases**

The Organization determines if an arrangement is a lease at inception. Operating leases are included as operating lease right-of-use (ROU) assets and operating lease liabilities on the statements of financial position, except for leases with an initial term of 12 months or less, for which the Organization made the short-term lease election and those that are clearly immaterial.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. In determining the discount rate used to measure the right-of-use asset and lease liability, the Organization uses rates implicit in the lease, or if not readily available, the risk-free Treasury rate is used in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The Organization's lease terms may include options to extend or terminate the lease when it is reasonably certain that they will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term.

PITTSBURGH COMMUNITY TELEVISION CORPORATION

Notes to the Financial Statements, continued

(2) **Summary of Significant Accounting Policies, continued**

(1) **Leases**

The Organization's lease agreement does not contain any material residual value guarantees or material restrictive covenants.

In evaluating contracts to determine if they qualify as a lease, the Organization considers factors such as if they have obtained substantially all the rights to the underlying asset through exclusivity, if they can direct the use of the asset by making decisions about how and for what purpose the asset will be used, and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

(3) **Property and Equipment**

Equipment at December 31, 2023 is comprised of the following:

Furniture and equipment	\$ 589,628
Leasehold improvements	<u>430,325</u>
	1,019,953
Less accumulated depreciation	<u>(935,565)</u>
	<u>\$ 84,388</u>

(4) **Long-Term Debt**

A note payable of \$96,860 to Slovak Savings Bank with interest of 5.25% charged on the outstanding balance. Payments of \$2,911 include principal and interest through December 2025, with a final balloon payment of \$33,477 in December 2025. This loan is collateralized by the Corporation's business assets. The required principal payments are:

Years ending December 31:	
2024	\$28,684
2025	<u>68,176</u>
	<u>\$96,860</u>

(5) **Accounts Receivable**

Accounts receivable are recorded at the amounts originally billed, less payments received and are non-interest bearing. The potential risk is limited to the amount recorded in the financial statements. The allowance for doubtful accounts is based upon historical collections and the amount of past due receivables for accounts whose collectability is in doubt. Management believes that no allowance is needed at December 31, 2023. Balances are written off once management determines collectability is not possible.

The following summarizes cash flow information related to leases for the year ended December 31, 2023:

Cash paid for amounts included in the measurement of lease liabilities:

Operating cash flows from operating leases	<u>\$55,311</u>
--	-----------------

(8) **Contributions Receivable**

Unconditional contributions are recognized when pledged and recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets.

PITTSBURGH COMMUNITY TELEVISION CORPORATION

Notes to the Financial Statements, continued

December 31, 2023

(8) **Contributions Receivable, continued**

When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Contributions restricted for the acquisition of land, buildings, and equipment are reported as net assets without donor restrictions upon acquisition of the assets and the assets are placed in service.

There are no unconditional or conditional promises to give at year end December 31, 2023.

(9) **Contributed Nonfinancial Assets**

Individuals have donated their time and services to the Organization. In instances where an objective basis for valuing the services or goods contributed exists, the value is reflected in the financial statements as support and a related expense in the period the services are used. Services or goods for which it is impractical to estimate a fair market value are not reflected in the accompanying financial statements. Donated services and goods are recorded as contributions at their estimated fair value at the date of receipt. The donated goods are used to maintain the Organization's program activities. There were no donated goods for the year ended December 31, 2023.

(10) **Donated Assets**

Donated marketable securities and other noncash donations are recorded as contributions at their estimated fair value at the date of donation. There were no donated assets for the year ended December 31, 2023.

(11) **Line of Credit**

The Corporation has a line of credit with Slovak Savings Bank. The total amount available is \$150,000. Annual interest of prime plus 1% (9.5% at December 31, 2023) is charged on the outstanding balance. There was no outstanding balance as of December 31, 2023.

PITTSBURGH COMMUNITY TELEVISION CORPORATION

(12) **Needs Assessment**

In 2019, the Corporation completed a Cable TV and Community Needs Assessment Study prepared by the Buske Group, a media consultant. This study is required by federal law and is used as part of the City of Pittsburgh's franchise agreement with Comcast and Verizon. PCTV uses this study to identify local community needs and interests related to public access which will guide their capital investments and operational strategies for the next ten years, directly tying to a contract with the City of Pittsburgh. The cost of the needs assessment was \$44,031 at December 31, 2023, with all additions being capitalized with an estimated useful life of 10 years. Amortization as of December 31, 2023 was \$18,817.

(13) **Liquidity**

The following represents The Corporation's financial assets at December 31, 2023:

Financial assets at year-end:	
Cash and cash equivalents	\$222,691
Accounts receivable	<u>297,159</u>
Total financial assets	<u>519,850</u>
Less amounts not available for general Expenditures within one year:	
Net assets with donor or time restrictions	<u>4,409</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$515,441</u>

The Corporation's goal currently is to have two months of reserves to cover ongoing operating expenses. Reserves in excess of this are invested in short-term investments such as money market accounts.

(14) **Retirement Plan**

The Organization has adopted a qualified 403(b) savings-retirement plan for the benefit of eligible employees. The plan allows employee contributions up to the annual elected deferral limits imposed by the IRS.

The Organization matches the first 3% deferral fully. Employer contributions to the plan amounted to \$6,093 for the year ended December 31, 2023.
