RE: Warrant- Nine Mile Run

Please be advised that this Department has reviewed of your memorandum dated September 4, 2019 requesting payment without previous authority of law of in the amount of \$18,488.46, in emergency payment in favor of Civil & Environmental Consultants, Inc. This is for the wetland mitigation monitoring and reporting of Nine Mile Run as required by the Pennsylvania Department of Environmental Protection.

Based on the facts set forth in your memorandum and attachments, notably that this is an emergency situation, it is our opinion that the work is of such a nature and will be done under such circumstances as to make that work properly payable by a Council Resolution.
