Jake Pawlak, Director, Office of Management and Budget

City of Pittsburgh

Pittsburgh, PA 15219

Dear Mr. Pawlak,

Re: Waiver

1. PROJECT: resourceX

ORDINANCE 177A.06A 2(iii) and (v) – Waiver

The City of Pittsburgh's Equal Opportunity Review Commission Department finds it satisfactory to approve the Waiver Request for resourceX. They will provide access to online software for a priority-based budgeting platform and related professional services. Working with another vendor would require retooling the existing inventory of programs, priorities, and submission data. It would take a significant amount of City staff time and may not be completed in time for the 2023 budget cycle.

Sincerely,

A handwritten signature in black ink that reads "Chuck Durham".
