Dear Ms. Abrams,

Re: Waiver

1. PROJECT: Restoration and Preparation of Cantini Mosaic Panels
ORDINANCE 177A.06A – Waiver

The City of Pittsburgh's Equal Opportunity Review Commission Department finds it satisfactory to approve the Waiver Request for the restoration and preparation of Cantini Mosaic Panels. The Prime (McKay Lodge Conservation Laboratory) specializes in restoring public mosaics and outdoor sculpture, monuments and murals. The artwork requires a comprehensive treatment without further damage.

Sincerely,
