Re: LeadsOnline

Dear President and Members of Council,

The Department of Public Safety will be submitting a resolution authorizing a Software Maintenance Agreement or Agreements with LeadsOnline for stolen property tracking software, related maintenance, user support services and subscription-based licenses to be utilized by the City's Bureau of Police, at an overall cost to the City not to exceed \$378,839.

Should you have any questions regarding the resolution, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Sincerely,
