Re: UPMC Presbyterian

The Department of Public Safety will be submitting a resolution authorizing the Mayor and the Director of the Department of Public Safety to enter on behalf of the City of Pittsburgh into a professional services agreement or agreements with the University of Pittsburgh Medical Center Presbyterian for the purchase of pharmaceutical supplies, medications, and related support services for the City's Department of Public Safety, Bureau of Emergency Services, at an overall cost not to exceed \$275,000 over five years.

Should you have any questions regarding the resolution or agreement, please do not hesitate to contact my office. Your favorable consideration is appreciated.
