Dear Mr. Bey

Re: Waiver

1. **PROJECT: Call for Artist Administrative Services for the University Line Public Art -ARPA Funded**
2. **Company: Shiftworks Community + Public Arts**

ORDINANCE 177A.06A – Waiver – 4. Grants

Grants: When procurement involves the expenditure of outside governmental (e.g., federal or state) funds, purchasing shall be conducted in accordance with any applicable federal or state laws or regulations.

The City of Pittsburgh's Equal Opportunity Review Commission Department finds it satisfactory to approve the Waiver Request for Call for Artist for the University Line Public Art. The final artwork(s) produced should be accessible, safe, and appropriate for all members of the public. The public art project created by the selected artist may have multiple components, including programmatic or temporary elements; however, the majority of the project funds must go toward a permanent art installation.

Sincerely,
