Dear President and Members of Council:

Enclosed is a resolution authorizing the Department of City Planning to execute relevant agreements with the Pennsylvania Historical and Museums Commission (PHMC) in order to receive a grant award offered to the City. This grant award will be for \$25,000, with an additional \$7,500 from the Cultural Heritage Plan Implementation, for an overall budget of \$32,500. The award will be used to conduct a City of Pittsburgh LGBTQ+ Context Statement. This statement will identify contextual themes and significant people, places, and spaces. Community engagement will be conducted via interviews and public meetings to further inform the development of the themes.

Please contact me with any questions.

Sincerely,
