Re: Approval of STOP the Violence Trust Fund Community Investment Grants – List of Potential Grantees

Dear President and Members of Council:

This Communication is being forwarded to Council per Chapter 237 of the City Code and Resolution 130 of 2022, authorizing expenditures and requiring Council approval of the preliminary list of grantees.

The Department of Public Safety is submitting a request for approval of the Potential Grantees List that was distributed to all Council members on Friday, July 8, and revised on Monday, July 11. The Revised Potential Grantees List is attached.

Inclusion on this list indicates only that these potential grantees have submitted an application and are eligible to be selected for a grant. It does not imply approval of any individual applicant for a grant. Final selections of grantees for STOP the Violence Community Investment Grants shall be made by the Department of Public Safety.

Should you have any questions regarding this process, please do not hesitate to contact my office. Your attention is appreciated.

Sincerely,
