Re: POISE Foundation amended agreement

Dear President and Members of Council,

The Department of Public Safety will be submitting a resolution amending Resolution 12 of 2022, authorizing a two-year professional services agreement with POISE Foundation for administration of a community grant program funded via the Stop the Violence Trust Fund. The amendment does not change the value of the contract or the intent of the program, but provides needed changes to appropriately describe the relationships between the City, POISE Foundation, and the recipients of the grant program POISE has been selected to administrate.

Should you have any questions regarding the resolution or agreement, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Sincerely,
