Re: City of Pittsburgh Fleet Vehicle Services Contract

To Mr. Walton:

I understand that the City of Pittsburgh may be concerned if Veolia and Transdev are related companies. I am happy to share with you that my company, Transdev (and First Vehicle Services, which is now a wholly owned subsidiary of Transdev Services Inc) are not associated with Veolia.

We have no affiliation with Veolia. Veolia sold the majority of its transit shares to Transdev in 2016, and then fully divested (sold all remaining shares to Transdev in 2019. Veolia Environment still exists as its own company in the water and waste space, but has nothing to do with transportation or Transdev as a company.

Sincerely,

Dave Larsen  
Senior Vice President
