Re: Police Traffic Services Legislation

Dear President and Members of Council,

The Department of Public Safety will be submitting a resolution authorizing a grant from The Commonwealth of Pennsylvania, Department of Transportation, Division of Highway Safety of \$174,468.91 for enforcement of violations through sobriety checkpoints, roving DUI patrols and conduct outreach activities designed to raise public awareness of drunk and impaired driving. The grant will also cover enforcement activities for Aggressive Driving, Occupant Protection and Pedestrian Safety. In addition, funds are provided for Travel and Training for Impaired Driving Education, equipment and supplies needed to support these activities

Should you have any questions regarding the resolution, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Sincerely,
