Honorable President and Members
City Council
City of Pittsburgh

**RE: Authorization to Enter into Easement
Agreement with Duquesne Light Company**

Dear Members of City Council:

Approval is requested to amend Resolution 37 of 2020 to allow for multiple agreements to authorize easements in connection with the construction of Duquesne Light Company's new Riazzi Electric Substation and the installation of an underground electrical system, to connect the Substation to the existing electrical distribution system for the surrounding area. Your favorable consideration is appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Michael Gable".
