Re: Spay & neuter program amendment

Dear President and Members of Council,

The Department of Public Safety will be submitting a resolution amending Resolution 765 of 2016, which authorized agreements with one or more vendors to implement the City's spay & neuter program administered by the Bureau of Animal Care & Control. The amendment realigns funding to reflect the combination of the spay & neuter program with AC&C's feral cat program, allowing full funding to be properly utilized.

Should you have any questions regarding the resolution or agreement, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Wendell D. Hissrich".
