

Pricing

Pricing below assumes an activation (live) date of March 31, 2024 and is prorated through the end of the current ShotSpotter subscription term (December 31, 2025) to make the expansion and existing coverage area subscription terms coterminous. Price for the prorated term will be adjusted based upon the actual activation (live) date.

Pricing Assumptions

This pricing is submitted based on the following assumptions:

- The services will be delivered under the terms of the existing SoundThinking (formerly ShotSpotter) Services Agreement (Contract #52443) dated April 4, 2018.
- This pricing includes standard ShotSpotter Service Initiation fees for the expansion, but no onboarding services are proposed. SoundThinking assumes that the customer will perform any required onboarding services.
- The Pittsburgh Bureau of Police will provision network access to meet SoundThinking minimum specifications and requirements for all computers (PCs and MDCs) that will access the ShotSpotter service.
- This pricing does not include any state or local taxes; if taxes are applicable, we will be happy to provide an amended price quotation upon request.
- This proposal and all pricing contained herein remains valid for ninety (90) days from the date of this proposal.
