Re: Amendment of Resolution 937 of 2024

The Department of Public Safety will be submitting a resolution amending Resolution 937 of 2024, which authorized an agreement with B-Three Solutions, for continued provision of software maintenance and support services for critical applications and transition guidance, to add funding from the Police operating budget, increasing the overall not-to-exceed value by \$12,000 for an amended total cost of \$2,141,321 over eight years.

Should you have any questions regarding the resolution or agreement, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Sincerely,
