RE: Request for Waiver

1. **PROJECT:** Eviction Mediation Programming
2. **Company:** Just Mediation Pittsburgh (JMP)
City Code: 177A.06A (2) Waiver – Sole Source

Dear Ms. Shepherd

The City of Pittsburgh's Equal Opportunity Review Commission Department finds it satisfactory to approve the Waiver Request for Just Mediation Pittsburgh (JMP)

As the only provider of eviction mediation services in the City of Pittsburgh, JMP's services are essential for tenants to receive the support necessary to move forward with their housing providers and keep people in their homes.

JMP will provide quarterly reporting on the number of housing providers and tenants who receive the fair housing information, including those who received the information multiple times as a part of multiple eviction mediation proceedings.

Sincerely,
