**RE: VACATE A PORTION OF
WYLIE AVENUE
DOMI-VAC-2021-00919**

Dear President and Members of City Council:

We have a request for the vacation of a portion of Wylie Avenue, in the 3rd Ward, 6th Council District, as shown on the attached plan. A copy of the request is also attached.

The Sports and Exhibition Authority and Urban Redevelopment Authority, the abutting property owners', have requested this vacation for future development. To facilitate development of the Lower Hill Site, the proposed vacation area must be vacated. The URA and the SEA own all of the property adjacent to the Vacation Area, and the vacation will not negatively impact the public.

Your favorable approval of this proposed Resolution is hereby recommended.

Sincerely,

Kimberly Lucas (Jan 13, 2023 13:50 EST)
