Dear Madame Clerk,

Please find enclosed PLI's amended *Title VII Business Licensing Rules and Regulations* for filing with the City Clerk in accordance with City Code. The *Title VII Business Licensing Rules and Regulations* have been updated to reflect the Lead Safety Ordinance requirements (Ordinance 2021-2101) for General Contractor licensees.

Following filing by the City Clerk, PLI will begin outreach and education to license holders regarding the requirements for General Contractors to maintain an EPA-approved Renovation, Repair and Painting certification.

The *Title VII Business Licensing Rules and Regulations* were sent to Council on March 29, 2018 (Resolution: 2018-0336). A Public Hearing was held on May 9, 2018 regarding these regulations.

Best wishes,

Sarah Kinter
Director of the Department of Permits, Licenses, and Inspections
