Dear Madame Clerk,

Please find enclosed PLI's amended *Rental Registration Rules and Regulations* for filing with the City Clerk in accordance with City Code. The *Rental Registration Rules and Regulations* have been updated to reflect the Lead Safety Ordinance requirements (Ordinance 2021-2101) to add a lead inspection requirement to units in buildings built prior to 1978, and to clarify general rental registration application requirements and standards.

The *Rental Registration Rules and Regulations* were sent to Council on March 2, 2018 (Resolution: 2018-0216). A Public Hearing was held on April 4, 2018 regarding these regulations.

Best wishes,

A handwritten signature in black ink, appearing to read "Sarah D. Kinter".
