Dear Mr. Schmidt

Re: Waiver

COMPANY: Matrix Consulting Group
PROJECT: Bureau of Police Staffing and Utilization Study
ORDINANCE 177A.06A – Waiver

The City of Pittsburgh's Equal Opportunity Review Commission Department finds it satisfactory to approve the Waiver Request for Matrix Consulting Group. They are comprised of highly experienced management consultants, specializing in law enforcement services. Matrix Consulting Group will be dealing with confidential Police data that we would not want shared outside their firm with any sub-contractor, as well as the fact that their work is so specialized.

Sincerely,
