Re: CI Technologies agreement

Dear President and Members of Council,

The Department of Public Safety will be submitting a resolution authorizing a Software Maintenance Agreement or Agreements, and amendments thereto, with CI Technologies, Inc., for maintenance and user support services for subscription-based licenses for internal affairs and professional standards software to be utilized by the City's Bureau of Police and Office of Municipal Investigations, at an overall cost to the City not to exceed \$34,340.00.

Should you have any questions regarding the resolution or agreement, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Sincerely,
