Re: Sole Source Justification

Project: InTime Solutions Integration with District Attorney Record Management System

CDIBTM is the name of the vendor the City of Pittsburgh has evaluated to deliver integration with InTime Solutions. CDIBTM website is: <https://cdibtm.com> CDIBTM provides record management services to 49 District Attorney Offices in PA including the Allegheny District Attorney Office. CDIBTM has a proven track record within PA in delivering services to the criminal justice community for over a decade.

CDIBTM is the only entity that can integrate InTime Solutions with the Allegheny District Attorney application. CDIBTM has in-depth knowledge of services provided to the District Attorney Office and Law Enforcement Community throughout PA and is a contractor working in 62 out of the 67 counties in PA. Their expertise will save time and money in deliverables, they are responsive in requests for assistance, and their personnel have worked in the criminal justice system within PA for numerous years.

Regards,

*Brian Steuhl*
