**RE: Charles Anderson Bridge – City of Pittsburgh
TCE ROW**

Dear Members of City Council:

Enclosed is a proposed Resolution authorizing the Director of the Department of Mobility and Infrastructure to take actions necessary for recordation of temporary construction easements over certain City-owned parcels in order to advance a project for rehabilitation, reconstruction, and repair of the Charles Anderson Memorial Bridge.

A waiver of Rule 8 is requested to expedite entering into this agreement with Allegheny Valley Railroad Company in an effort to move the Charles Anderson Bridge project into the construction phase as soon as possible.

Your favorable consideration of the attached proposed Resolution is hereby requested.

Sincerely,
