(assigned by OMB)

CITY OF PITTSBURGH
REQUEST FOR WAIVER OF COMPETITIVE PROCESS

Contract Title: RouteSmart Navigation System

Contract Description: RouteSmart is the City's current addressing system for collection of household waste and recycling.

Contract Duration: _____

Requesting Department: Public Works Contract Type: Professional Service

Requests for exemption must be based on one or more of the categories listed in City Code 161.02B located here:

Please list all category numbers that apply (see page 2) 3 and 10- Single source contract and additional services

Justification:

DPW- Environmental Services has been using RouteSmart for maintaining household addresses for waste and recycling services.

We would like to extend their services to help our drivers transition away from outdated paper routes, and start using digitized optimized routes via new in-cab navigation system that provide turn by turn directions.

RouteSmart is our best option since it's the only company that seamlessly integrates into our current system. It would be cost prohibitive to implement a new company who's not familiar with our streets and resources.
