Re: Spay & neuter program

Dear President and Members of Council,

The Department of Public Safety will be submitting a resolution authorizing the Mayor and Director of the Department of Public Safety to enter into amended Professional Services Agreement or Agreements with multiple vendors for the continued implementation of the City's Spay and Neuter Program at a cost not to exceed an additional \$70,000, for a total program cost not to exceed \$210,000 over three years. Specifically, Public Safety wishes to restart the community cat portion of the program on a limited basis while the entirety of the program is reevaluated.

Should you have any questions regarding the resolution or agreement, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Sincerely,
