Decision: Woods Run Carnegie Library Street Mural

Dear Mr. Boerer,

This is to confirm that on April 24, 2024, the project listed above was reviewed at a public hearing of the City of Pittsburgh Public Art & Civic Design Commission and was **approved** for a three year period, with the opportunity for further extension at that time if the mural is adequately maintained.

Please note that after receiving Public Art & Civic Design Commission approval, any necessary building permits, certificates of occupancy, or other city approvals are still required. At this time, please proceed with these and any other permits or City permissions that you may need.

Should you need any further assistance from my office, or would like clarification on any comments or advice given by the Commission, please do not hesitate to call or email.

Sincerely,
