Dear Mr. Dash

Re: Waiver

- 1. PROJECT: Equitable Transit-Oriented Development Study
COMPANY: Pittsburgh Regional Transit (PRT)**

**ORDINANCE 177A.06A (5) Waiver - Intergovernmental Agreements:
Agreements with other governmental or quasi-governmental bodies.**

The City of Pittsburgh's Equal Opportunity Review Commission Department finds it satisfactory to approve the Waiver Request for the Pittsburgh Regional Transit (PRT). The City of Pittsburgh will enter into a formal agreement with Pittsburgh Regional Transit (PRT) to conduct an Equitable Transit-Oriented Development (eTOD) study in the Homewood neighborhood, focusing on the area surrounding the proposed Brushton Station on the East Busway. This study will evaluate land use, housing, transportation access, and community development opportunities, ensuring that any future development is equitable and beneficial to the residents of the area. This partnership will allow the City of Pittsburgh and PRT to work collaboratively to align transportation and land use policies with community needs.

Sincerely,
