Contract Description: Defense of Workers' Compensation matters & claims against the City

Contract Duration: 1/1/17 to 12/31/20

Requests for exemption must be based on one or more of the categories listed in City Code 161.02B located here:

Please list all category numbers that apply (see page 2) 5

Justification:

With the current state of emergency, many hearings & medical exams have been delayed which has left an unusually large docket of workers' compensation litigated claims that are being handled under this contract that will likely be pushed well into 2021. The current state of emergency has also had an impact on the City RFP process internally and for potential respondents, thus make extending this contract a benefit to the management of the city workers' compensation program so as to not only provide continuity but to also be able to plan the RFP process so as to make the possible transfer to new council more fluid.
