RE: To enter into an agreement with Pro-Code-O

Dear President and Members:

This letter is to request approval for authorizing the Director of the Department of Innovation and Performance, on behalf of the City of Pittsburgh, to enter into an agreement or agreements with certain individuals in conjunction with the Department of Innovation and Performance's "Pro-Code-O" program that will provide additional support for the Innovation and Performance initiatives at no cost to the City.

The "Pro-Code-O" program will allow software engineers to join as part-time fellows for a four-month, pro-bono engagement to provide supporting work on Department of Innovation and Performance projects and gain valuable experience and recognition as a result. This program allows the City of Pittsburgh to leverage technical talent to increase capacity for innovative technology projects throughout the city.

This resolution comes at no cost and will allow the Department of Innovation and Performance to receive additional support on city initiatives from "Pro-Code-O" fellows.

Geared for Greatness

Your favorable consideration is appreciated.

Sincerely,
