Re: Hazard Mitigation Plan Adoption

Dear President and Members of Council,

The Department of Public Safety will be proposing a resolution adopting the Allegheny County Hazard Mitigation plan as the official hazard mitigation plan of the City of Pittsburgh. A hazard mitigation plan is mandatory in order to receive Hazard Mitigation Grant Program funds, and the County plan was developed in coordination with the City and meets the City's requirements.

We respectfully request to waive rule 8 regarding this legislation in order to meet County deadlines.

Should you have any questions regarding the resolution, please do not hesitate to contact my office. Your favorable consideration is appreciated.

Sincerely,

Wendell Hissrich
Director
