Resolution amending Resolution No. 147, effective March 8, 2011, entitled “Resolution providing for the designation and transfer of certain public properties within the Morningside and Stanton Heights neighborhoods to become permanent, public, passive open space under the Greenways for Pittsburgh program” to officially name the project “ALLEGHENY RIVER GREENWAY.”

**Be it resolved by the Council of the City of Pittsburgh as follows:**

**Section 1.** Resolution No. 147, effective March 8, 2011, is hereby amended as follows:

“WHEREAS, The City of Pittsburgh has the Greenways for Pittsburgh program which consolidates hillside properties into permanent, public, passive open space that serves to benefit the adjacent neighborhoods specifically and the City in general, and

WHEREAS, The Morningside and Stanton Heights neighborhoods have worked cooperatively with residents and city officials to develop The Allegheny River Greenway and such a greenway is expected to benefit the Morningside and Stanton Heights neighborhoods in many ways, including:

1. Continuing to keep a steep, landslide-prone hillside undisturbed and thus contributing to the promotion of hillside stability;

2. Retaining the physical and aesthetic values offered by the wooded slopes; and
3. Promoting efficiency in the provision of public infrastructure and public services through the ability to close and vacate streets and utilities in Greenway areas where development will not occur.

WHEREAS, on December 7, 2010, the City Planning Commission voted unanimously to recommend that the highest and best use of these properties is as permanent, protected, passive open space and that they be designated a Greenway as part of the Greenway Program.

**Section 1.** The Finance Department is authorized to transfer the properties within the Morningside and Stanton Heights neighborhoods (which are listed in Appendix A) to the Department of Parks and Recreation to become permanent, passive open space under the City of Pittsburgh's Greenways for Pittsburgh Program and to be officially named the Allegheny River Greenway.

**Section 2.** The Department of Finance is to secure, transfer and convey all right, title, and interest, if any, from the County of Allegheny and School District of the City of Pittsburgh through their appropriate action after the properties are transferred to the Department of Parks and Recreation.

**Section 3.** A Neighborhood Stewardship Commitment is required within five (5) years to assure the continuation of the Allegheny River Greenway.

**Section 4.** All property owners adjacent to a designated Greenway found to be encroaching on this City-owned property will either cease the encroachment or purchase from the Finance Department the area of encroachment (providing the area is no greater than their existing lot, and the depth and width of the encroachment is no greater than the existing lot) while providing an appropriate barrier or fence with design approval by the appropriate City of Pittsburgh departments to prevent further encroachment.”
