Resolution authorizing the Director of Computer Information Services to design and issue a Request for Proposals (“RFP”) for the purposes of designing and implementing an Internet-enabled, mobile-enabled application to allow Citizens to report in real time their interactions with City employees and to make that data publicly available on the Internet.

Be it therefore resolved that the Council of the City of Pittsburgh enacts as follows:

Section 1. The Director of Computer Information Services is hereby authorized to design and issue a Request for Proposals (“RFP”) for the purposes of designing and implementing an Internet-enabled, mobile-enabled application to allow Citizens to report in real time their interactions with City employees and to make that data publicly available on the Internet.
